## WORK EXPERIENCE

### ● Trainee QA Team Lead — IT Academy, Belarus

From November 2022 to February 2023

I've taken part in a commercial project as a QA Team Lead. The team consisted of 5 persons. We've tested mobile app and website.

**My achievements in this project were:**

- The presentation of the work benefited the company in increasing the amount of time users spent in the application, as it contained information on improving the functionality for users;
- Organising good teamwork among all team members;

**My responsibilities were:**

- Created Test documentation(Checklists, Test Cases, Bug Reports, Test Result Report);
- Test cases execution;
- Time estimating for team;
- Presentation of completed work in English;

## WORK EXPERIENCE

### ● **UX/UI Designer** — **Freelance, Remote**

From November 2021 to April 2022

**My achievement in this sphere was:**

- Identifying problem areas and simplifying the user path by ux testing;

**My responsibilities were:**

- creating user flow, user journey map;
- designing individual elements and designing presentation of products.
- testing ux;

## LANGUAGES

**Russian** Fluent

**English** B1

**Spanish** A1
